

TUCKER TIDINGS

Tucker Lodge #42 F.& A.M.

August 11 was the night that Tucker Chapter 407 Order of the Eastern Star set aside to honor Tucker Lodge. They provided a wonderful meal as usual, but honored us by placing a brick in the Square and Compasses of the Children's Garden, pictured above. An honor that was most unexpected and very much appreciated. Thank you Tucker Chapter.

Fall is just around the corner

Hard to believe that 3/4 of the year is over. A lot of events ahead. Next

month we have DCMA hosted by Tucker, then we have Grand Lodge and then we enter November where we have Step Up night and the Holiday Seasons begin.

Officer's practice starts back up this month in preparation of next year's slate of officers. Thank you to our Director of Work, WB Joe Kilpatrick for stepping up and directing us this year in the absence of our loss of WB Fred Cooper.
